

New Multiple Evaluation Form

Please take a moment to review this questionnaire before your program. This may be used to report multiple presentations (*i.e. if you visit 12 classrooms in one school you may report it as 12 presentations at one school and the total number of children*). Your input is important and will be used to evaluate the program's impact. Your comments and suggestions will be used for program improvement.

Evaluating _____ presentation(s) at _____

1. Program Information: Date(s): _____
